Please Note:

In supplying any tickets the Club is agent for the RFU so you are bound by their Ticket Distribution Conditions and by their Ground rules (details of which are available from them upon request) and you have to be a paid-up member of this Club for the season.

The RFU decides on the club's allocation so depending on demand we may not be able to supply you with the tickets you have requested in which case we may have to supply you with tickets of a different value or make an appropriate refund.

If you are supplied with tickets but cannot go to the match the tickets must NOT be sold or given to third parties you must let this Club [via Chris Jones] have them back.

If you are allocated 2 or more tickets the Club may want to know who will be accompanying you or accompanied you to the game and may request back the tickets for allocation to other members.

If any of the Club tickets are discovered on the black market the RFU may sanction the Club.
