Dear member of Devizes Rugby Football Club

As we move towards another exciting year for the club, one in which we celebrate the 95th anniversary of the club, we need to inform you of some forthcoming changes to the club membership.

As many of you are aware, the impact of the increase in costs of goods, materials and labour is hitting us all hard. However, for us to sustain a thriving club, here in the heart of Devizes, we are working hard to address costs, ensure that expenditure is in line with budgets, and in addition, increase our club revenue.

So, with regard to the club membership, we will have to increase the fees across the club for the 2026-27 season. The increase will be approximately 7.5% with immediate effect.

However, one thing we must do is improve our paid-up membership percentage, and so to incentivise this we will delay the cost increase until the 31st of October 2026 for all members who pay their membership before that date.

Please see Appendix 1 for the membership rates.

Please let us remind you of the options that you have available to help support your membership payment.

Option 1 – Pay your membership in full now by debit or credit card through the club website link to the online Game Management System provided by the RFU.

<https://devizesrfc.rfu.club/products>

Option 2 – Pay your membership in instalments through the club website.
Must be paid in full by the 30th April 2027.

Option 3 – Payments can be made in person by cash or cheque to the membership secretary.

Please ensure to pay your membership now to avoid the cost increase on the 31st of October 2026.

It is important to remind you that the membership fee for Devizes RFC is not optional, all members must pay their membership in order to become an enrolled member who will then gain access to the benefits provided by the club including bar discounts, a preferential rate when privately hiring the clubhouse and access to the ballot for RFU international tickets. The membership is an annual contract between you and the club and so you cannot cancel your membership, nor receive a refund within the contract period of one year. Payment by instalments is not 'pay as you go'. Once joined, you are committed to pay the full amount for the season.

Secretary: Keith Butler

Importantly, we appreciate that some difficulties may arise from time to time due to circumstantial changes or injuries and of course will try to support you if you are unable to pay your membership. Please make sure to speak in confidence to the club membership secretary or your team captain or manager if this is the case.

What can I do to help the club in its 95th year?

We are creating a great network of volunteers to help support the club, and this is key to our success moving forward, we need to share the load and importantly ensure that key tasks are being done. We will welcome all who have the skills, experience and importantly, the willingness to commit to doing their bit for the club. If you can do just that one small job or have business skills that can help us, then please let us know.

Contact Laura Veale (07584 198473) to let us know what you can do for the club.

Finally, we will soon be releasing the fixture lists and also the dates for the scheduled Vice Presidents lunches and Members dinners. In addition, please look out for the other activities that the club are planning throughout the year to help us celebrate the milestone of 95 years as Devizes Rugby Football Club.

We look forward to meeting you up at the club soon.

Best regards

DEVIZES RFC
