

To: All Members of Devizes Rugby Club

All paid-up adult Members of Devizes Rugby Club are automatically members of Devizes Sports Club, entitled to speak and to vote at its Annual General Meeting.

The past year saw the hibernation of the Sports Club, which brought its viability, structure and future into sharp focus. Important decisions now need to be made in light of the financial and other reports that will be delivered at the Sports Club AGM. Initially that AGM was planned for 12 July, 2021 but has since been postponed as lockdown restrictions were extended.

The Sports Club AGM will now take place on 9 August, 2021. The decisions to be made at that meeting will affect each and every one of us financially, so please arrange to attend and cast your vote.
